VENTS

Exhaust Vent

EVA-34 Vent Adapter

The Perfect Combination!

Includes the EVA-34 adapter packaged with our 730 exhaust roof vent for a complete exhaust solution.

EVA-34 Adapter Features:

- ▶ Exhaust vent adapter fits 3" or 4" flexible duct.
- ▶ Designed for use with bathroom exhaust fans.
- ▶ Exhausts household moisture.
- ▶ Tested for all climates.
- ▶ Built in damper prevents back draft.
- ▶ Works with any roof system.
- ▶ Ideal for new construction.
- ▶ Solution for existing homes.
- ▶ 10" nailing flange.
- ▶ The EVA-34 adapter is also available separately to fit any Lomanco static roof vent.

Exhaust Vent Features:

- ▶ Fits all pitched roofs.
- ▶ Weather-tight sealed collar.
- ▶ Prevents roof discoloration.
- ▶ Embossed painted finish for added strength, extended paint life, durability, and blending appearance with shingles.
- ▶ Bird-proof.
- ▶ Large nailing flange.
- ▶ Available in aluminum or galvanized steel construction.
